

VEER PRATAP SINGH

Creative Developer & Digital Storyteller | B.Tech CSE Student

Email: xyresiic@gmail.com | [Portfolio](#) | [GitHub](#) | [LinkedIn](#)

PROFILE

B.Tech Computer Science student at Arya College of Engineering, Jaipur, focused on front-end development, AI-assisted systems, and creative digital experiences. Skilled in HTML, CSS, JavaScript, C/C++, Java, Python, Flask, and design tools. Built AI, web, and brand-focused projects including AI Triage Pro, Lustréva, Medic Soul, and a content scheduling tool. Combines engineering precision with strong UI sense, photography, video editing, and brand identity experience.

TECHNICAL SKILLS

Programming	C, C++, Java, Python
Web Development	HTML, CSS, JavaScript, Flask, responsive UI, animations
AI / ML	Whisper, CLIP, Librosa, Transformers, multimodal AI concepts
Tools	VS Code, Git, GitHub, GitHub Pages, Vercel
Creative	Photography, videography, Lightroom, VN Editor, Photoshop, UI/UX, brand identity

SELECTED PROJECTS

AI Triage Pro Multimodal AI Emergency Triage Platform	HackNexus 2.0 - 4th Place
- Built a real-time emergency triage concept combining Whisper call transcription, CLIP image analysis, Librosa audio processing, and a weighted trust-scoring engine. - Designed the workflow for severity detection and ambulance dispatch recommendation using Python and Flask.	
Lustréva Premium Gifting Brand Landing Page	HTML/CSS/JS
Developed a luxury-style landing page with refined UI direction, smooth animations, and conversion-focused visual presentation.	
Portfolio Website Personal Brand Website	HTML/CSS/JS
Created a dark futuristic animated portfolio with sections for skills, selected work, timeline, creative work, and contact.	
Content Calendar Creator & Brand Scheduling Tool	HTML/CSS/JS
Built an AI-assisted content planning interface to help creators and brands plan, schedule, and manage content efficiently.	
Medic Soul Healthcare Assistant Website	HTML/CSS/JS
Created a clean medical interface with integrated chatbot features for healthcare support and user guidance.	

EXPERIENCE

Web Development Intern CodSoft	2024
- Built internship deliverables including a calculator, to-do app, and number guessing game using HTML, CSS, and JavaScript. - Focused on clean interfaces, responsive layouts, and JavaScript logic for interactive user experiences.	
C++ Programming Intern CodeAlpha	2024
Completed C++ programming challenges and strengthened fundamentals in OOP, DSA, and problem-solving.	

EDUCATION

B.Tech in Computer Science Arya College of Engineering, RTU	2022 - 2028
Pursuing computer science with focus on programming, AI systems, web development, and creative technology.	

CERTIFICATIONS & RECOGNITION

Basics of Quadcopter - IIT Roorkee | Blockchain Technology - IIT Roorkee | Web Dev Fundamentals - IBM | Virtual Tech Internship - Deloitte / Forage | Software Engineering Simulation - Accenture | Solution Architecture - AWS | GenAI Data Analytics - Tata | Web Dev Internship - CodSoft | C++ Internship - CodeAlpha

CREATIVE & ENTREPRENEURIAL WORK

- Founder of Lustréva, a premium gifting brand, and building @nazrithm, a creative studio focused on reels, content, design, and brand strategy.
- Experienced in visual storytelling, portrait/street photography, video editing, color grading, and modern brand identity design.
